Fall Back . . .
Daylight Savings Time ends at 2 a.m. on Sunday, November 1. Be sure to turn your clocks back an hour.

Southeast Region Endowment . . .
It is time to apply for the Southeast Region Endowment Awards. Applications for these awards are to be submitted to Jeff McCutcheon at the SE Region Office by November 30, 2015. Applicants must be employees of the counties that comprise the Southeast Region. ALL program and support staff are eligible to apply for this award.

Applications can be submitted towards program support or professional development support (up to $500 per grant). The endowment guidelines and application for these grant funds are located on the SE Region website at http://southeast.osu.edu/region-director (Other: SE Region Endowment Guidelines and Application). The endowment committee is comprised of personnel from the region, and they will serve as the review committee for grants submitted.

One of last year’s recipients submitted the following report about their grant:
It’s Sew Fine – Sewing Expo (Cindy Shuster, Extension Educator, FCS, Perry County; State 4-H Fashion Board Advisor; State-Wide Master Clothing Educator Program Advisor)
Thank you for the opportunity to attend the 2015 “It’s Sew Fine for Home and Family” Sewing Expo in Carrollton, Kentucky April 13 – 15. This professional development opportunity was sponsored by the University of Kentucky Cooperative Extension and the Kentucky Master Volunteers in Clothing Construction. As an advisor to the State 4-H Fashion Board and Master Clothing Educator Program and facilitator of the Sewing Smorgasbord, there are limited opportunities for professional development through Extension in Ohio as well national association meetings. Therefore, this national program provided an educational opportunity for me as an Extension Educator.
I attended a number of educational classes and stage show presentations including:

- Sit ‘n Sew – an opportunity to work on unfinished projects and/or an opportunity to sew an Ironing Tote Caddy.
- Participated in the Lattice Tote Bag Class and educational displays.
  
  Featured Speaker – Londa J. Rohlfing: ‘Sweatshirt’ Jackets and Artistic T’s – Londa modeled and shared her awesome collection of stylish knit jackets, most of which began as a sweatshirt . . . yes, a sweatshirt and her unique knit tops – all from a basic top pattern. Embellishment and fitting topics were included in this fast-moving presentation.
  
  Additionally, there was a Showcase of Previous Sewing Expo Projects and an Exhibitors/Instructors vendor showcase.
- Participated in Serger Basics and Beyond class.
- Networking Opportunities – this venue provided numerous opportunities to network with Kentucky’s Master Volunteers in Clothing Construction as well as with their Advisor and State Coordinator, Marjorie Baker.

All of these educational classes, featured speaker and stage show presentations will be beneficial as I continue to work with Master Clothing Educators and State 4-H Fashion Board members across the state and the annual Sewing Smorgasbord. One Ohio Master Clothing Educator attended this professional development opportunity with me to receive continuing education as she works with our 4-H youth across the state.

New Mileage Log...

With the new travel policies announced on October 1 (see [http://cfaesfinance.osu.edu/](http://cfaesfinance.osu.edu/)) there is a new mileage log form that must be used starting with travel on October 1. September mileage can still be submitted on the old version of the form. If mileage for October is put on the old form, it will be denied in the eRequest and you will be asked to resubmit. This new form can be found at [http://cfaesfinance.osu.edu/forms#TV](http://cfaesfinance.osu.edu/forms#TV). Please note that you are required to deduct your normal commute from your trips. A simplified way to look at it is below:

<table>
<thead>
<tr>
<th>Starting Location</th>
<th>Ending Location</th>
<th>Less Commute Miles</th>
</tr>
</thead>
<tbody>
<tr>
<td>Headquarters</td>
<td>Headquarters</td>
<td>0 miles deducted</td>
</tr>
<tr>
<td>Headquarters</td>
<td>Home</td>
<td>Deduct ½ of normal round trip commute</td>
</tr>
<tr>
<td>Home</td>
<td>Home</td>
<td>Deduct full amount of normal round trip commute</td>
</tr>
</tbody>
</table>

If you have specific questions about how to calculate your mileage, please do not hesitate to contact your Business Office rep or Lee Ann and Vickie at the Region Office.

Flu Vaccinations Available to Faculty and Staff

Benefits-enrolled faculty and staff and their dependent family members (over 7 years old) may visit a network retail pharmacy (for example, Costco, CVS, Giant Eagle, Kroger, Medicine Shoppe, Rite Aid, Target, and Walmart) for their flu vaccination at no charge and without a prescription. Simply present the OSU Health Plan medical/prescription drug ID card, and the vaccine will be covered with no out-of-pocket expense. Please note: The flu vaccine must be administered by the pharmacist at the network pharmacy itself, not at the "clinic" associated with the pharmacy.

Benefits-eligible faculty and staff may obtain a free flu vaccination at a convenient on-campus location while supplies last. To register for a flu vaccine, visit [https://linktohealth.osu.edu](https://linktohealth.osu.edu). Faculty and staff may also visit their primary care providers for a vaccination. For more information, visit [osuhealthplan.com](http://osuhealthplan.com).
